AGENDA ITEM # 4

TO: Parks & Recreation Commission
FROM: Manuel A. Hernandez, Commission Liaison
SUBJECT: Parks Plan Review – Village Park & Community Plaza

BACKGROUND

To aid in preparing for future recommendations and Capital Improvements Program prioritization, the Parks and Recreation Commission will review the current Parks Plan in sections.

To help the Parks and Recreation Commission better understand the Parks Plan and guide discussion for the Fiscal Year 2019/2020 Capital Improvements Program discussion that will take place in spring 2019, the Commission will review and discuss sections of the Parks Plan over the next several meetings. This review will cover each park and areas of park land in Los Altos. At the end of this review, the Commission will have a better idea of what park improvements might be needed and how to best prioritize them.

DISCUSSION

The Commission will discuss Village Park (pg. 20) and Veteran's Community Plaza (pg. 8) sections of the Parks Plan as the fifth part of the Parks Plan review. These two parks are located in the downtown area of the city and has limited amenities that other city parks may. Village Park and is 0.78 acres, while Veterans Community Plaza is 0.16 acres.
